EDUCATION

University of Wisconsin-Madison, May 2022 | *Bachelor of Science*: Computer Science | *Bachelor of Arts*: Economics with a Focus in Mathematics | *Certificate*: Mathematics | **Pleasant Valley High School**, Bettendorf, IA. May 2019 | High School Diploma

SKILLS

- Web Development, Java, C#, JavaScript, Microsoft Azure DevOps, SQL, Visual Basic, HTML, CSS, XML, JSON
- Multivariable Calculus, Differential Equations, Linear Algebra, Graph Theory, Set Theory
- Voter Engagement, Campaign Fundraising, Intern Recruitment, Volunteer Management, NGP Van

WORK HISTORY

Software Engineering Intern | Modern Woodmen of America – Rock Island, IL - 05/2020 – 08/2020

- Used Microsoft Azure DevOps Webhooks and Microsoft Teams API to connect to SQL Database and create custom integrations between Microsoft products and financial systems.
- Used C# and algorithm analysis to modify management workflows and to develop new software which made all financial systems more efficient and faster.
- Coordinated with IT department and attended several business meetings to discuss the future of IT at Modern Woodmen.

Research Associate | University of Iowa Hydraulics Laboratory – Iowa City, IA - 06/2018 – 07/2019

- Conducted a research project, “Interactive Flood Mapping on Web-Based Systems” under PI Dr. Ibrahim Demir.
- Used Google Maps API to integrate with custom JavaScript program which created a web application that allowed city planners to create different structures and run flood simulations.
- This project allows cities to prepare for flooding decades in advance (**Poster**: www.manazir.org/poster).

Financial Intern | Theresa Greenfield for Iowa – Des Moines, IA - 06/2020 – 8/2020

- Raised money in donations for Theresa Greenfield’s US senate campaign in Iowa.
- Contributed to donor research and outreach, fundraising strategy and event planning.
- Managed donor/voter database in NGP VAN.

Voter Engagement Intern | Rita Hart for Congress – Bettendorf, IA – 05/2020 – 8/2020

- Worked under Rita Hart for her Congress campaign for Iowa’s 2nd district.
- Recruited and trained over 10 new interns to work for Rita Hart in voter engagement.
- Phonebanked and contacted dozens of volunteers to spread the campaign message and raise support.

YouTube Channel, Email Newsletter | Self Employed – 05/2020 – Present

- Posts educational videos on productivity and studying every week at youtube.com/AmanManazir.
- Writes articles and sends a weekly email newsletter at manazir.org/newsletter.

Android App Development Internship | John Deere – Bettendorf, IA - 08/2017 – 12/2017

- Part of a team of 6 that developed a Java Android application used to scout farm fields and keep track of field data.
- Farmers could communicate with each other and work together to prevent disasters such as diseases and insects.
- Presented the application at the John Deere World Headquarters in December 2017.

Jesse Stoakes Research Intern | Midwest Cardiovascular Research Foundation – Davenport, IA - 07/2017

- Volunteered full time (84 hours recieved) and entered research data into the database.
- Created graphs and discovered trends in data to help further research efforts.
- Attended lectures on medical research given by researchers at MCRF.
