## Part 1: Career Fair Preparation

**Companies at your career fair:** List all the companies down before going to the career fair. Exactly how we did it in Application Cartography, you'll look at the list your school/organization provides you of companies, and write ALL of them down. Then proceed as normal — highlight if currently open, get a referral & apply, otherwise get a referral & apply when open. **Bold** the 3-5 companies that interest you most.
